Background

- ▶ Covid has changed many things over recent months. The County Council has produced an outbreak response plan which aims to support individuals and communities through and beyond Covid.
- ▶ Community Recovery holds a key role in supporting individuals in the short, medium and long term in both a reactive and proactive nature.

Purpose of the Role

- ▶ Acting as point of contact
- ▶ Test & Trace
- ▶ Safe and Well
- ▶ Delivering Food Parcels
- ▶ Sustaining independence
- ▶ Lateral Flow testing
- ▶ Public Health messaging and communications
- ▶ Supporting communities to build resilience to the affects of the COVID-19 Pandemic

How We Do This

- ▶ Establishing links and Networking
- ▶ Establishing need
- ▶ Identifying skills and strengths individuals/groups already have
- ▶ Providing information and guidance
- ▶ Providing assistance to enable people/groups to regain independence and resilience

A strength is something you:

are **energised** by
(engagement)

are **good** at
(capability)

use regularly
(use)

York Strengths - What is a strength?

In Practice

- ▶ Working alongside other preventative bodies
- ▶ Carrying out wellbeing checks
- ▶ Food parcels
- ▶ Medication collection/delivery
- ▶ Providing information and signposting to appropriate services
- ▶ Working alongside a person or family to be resilient or maintain their independence
